

## TOP 15 TOKYO CHERRY BLOSSOM SPOTS

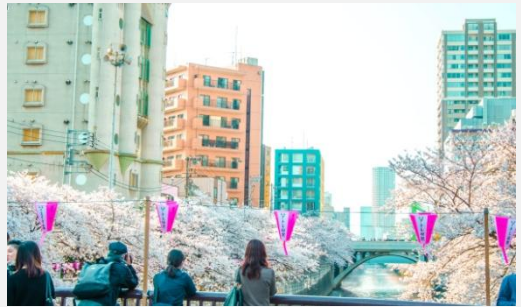

Is seeing the cherry blossom in Tokyo on your bucketlist? That's a worthy goal because incredibly, it is even better than you can imagine from the photos.

So many alleys lined with the pink Japanese sakura tree beg to be explored in Japan's capital. Check out the [entire article](#) if you want to enjoy some more photos and travel tips and click through my entire series on [travelling Japan](#) in spring. There even is a [video](#)!
